YAYASAN SABAH GROUP RECOGNISED THE IMPORTANCE OF EARLY EDUCATION

KOTA KINABALU (Thursday): Yayasan Sabah Group will always remain dedicated in the development of human capital which begins from early childhood, said the Director of Yayasan Sabah, Datuk Haji Jamalul Kiram bin Datuk Haji Mohd. Zakaria during the Graduation Ceremony of Child Development Division of Yayasan Sanah Group which was held at Tun Ahmad Raffae Auditorium, Menara Tun Mustapha, Kota Kinabalu.

Children's early experiences are the bonds they shape with their parents as their first learning encounters, which are influenced by their social environment. "On this note, the role of child care centres and kindergarten are to ensure that children will develop positively in these conducive environments and provides valuable support to families with young children," said Datuk Haji Jamalul Kiram in his speech.

The concert theme, *Gegar Ria* portrayed the children's talents and abilities to perform in public. "Talents shown by these amazing children are evidence of what they can accomplish in the future," add Datuk Haji Jamalul.

"Yayasan Sabah Group will continue to implement various programmes to build a more progressive, dynamic, competitive and better generation of human capital through education," said Datuk Haji Jamalul.

A total of 76 children received their certificates and eight best students received their awards. The 60-minute performance was hosted by the children from age four to six. The audience were entertained with enjoyable presentation with songs, dances, *dikir barat* and piano presentation.
