YAYASAN SABAH BERSAMA RAKYAT (YSBR) ROADSHOW IN SIPITANG

SIPITANG (Saturday) – Yayasan Sabah Group participated in the International GATA International Festival 2017 which was launched on 29 April 2017 at the GATA Square, Sipitang by the Deputy Prime Minister, Datuk Seri Panglima Dr. Ahmad Zahid Hamidi.

Yayasan Sabah Group's participation in the international carnival is part of the *Yayasan Sabah Bersama Rakyat* (YSBR) Roadshow which highlighted Yayasan Sabah Group's social commercial and conservation efforts in its 50 years of existence.

The Roadshow in Sipitang is part of a series of Roadshows held throughout Sabah which started in Sandakan on 5 March 2017.

After 50 years of existence, Yayasan Sabah Group has flourished, achieving its objectives of providing scholarships and loans to needy students as well as students who excelled academically to further their studies locally and abroad.

Since its inception in 1966, Yayasan Sabah's educational programmes supplement and complement the activities of the government to uplift the quality of education and

educational facilities for Malaysians in Sabah. The core of the Yayasan Sabah Group's education development programmes is to provide financial assistance in the form of scholarships at the secondary and tertiary level and also study loan for tertiary level.

Over the years, the Group has diversified its activities to meet the needs of the day and to keep the forest under its custody in perpetuity. From simply harvesting to downstream processing of timber, the Group ventured into agro-plantation, hospitality and tourism, shipping and real estate development in the seventies and eighties. In the last decade, the Group ventured further away from mainstream forestry into biotechnology and horticulture besides fisheries and food industries.
