YAYASAN SABAH GROUP EMPOWERS INTEGRITY AMONG STAFF

KOTA KINABALU (Wednesday) – Integrity is the foundation of an efficient and honest organisation said the Director of Yayasan Sabah, Datuk Sapawi Bin Haji Ahmad in his speech during the Integrity Awareness Session held on 24 May 2017 at Tun Hamdan Theater, Menara Tun Mustapha.

The speakers were Senior Lecturer of Psychology and Education Faculty, Universiti Malaysia Sabah, Dr. Mohd. Khairuddin Bin Abdullah and the Director of Malaysian Anti-Corruption Commission (MACC) Sabah, Dato' Sazali Bin Salbi.

“In facing the complex changes and challenges in the working environment nowadays, organisations are very much in need of committed and responsible staff who can carry out their duties diligently and improve the quality of their work,” said Datuk Sapawi.

According to Datuk Sapawi, integrity does not only focus on issues on corruption, compliance to system, work procedures and financial arrangements but also on aspects of workplace culture. “Integrity also covers aspects on work ethics, dedication towards the task given and maintaining professional and good relationships with colleagues and superiors,” said Datuk Sapawi.

He added, "Integrity should be practiced among all levels of staff in our organisation and making it as a culture. Among the main elements that should be strengthened among ourselves is sincerity in carrying out our duties and responsibilities."

The session was attended by more than 100 staff of Yayasan Sabah Group from all levels.
